

A Reminder for Guest Vessels

To enter the harbour please **call +372 5345 2487**. The harbour master (HM) will normally tend to recreational crafts **from Mon-Sun 10.00-20.00**.

Upon entering the harbour:

- Register your arrival with the HM, including necessary log entries.
- Pay for services rendered according to the price list (www.eismasadam.ee).
- Familiarise yourself with the plan of the harbour's premises to understand which parts of the premises can be used by visitors and ask the HM for appropriate entry cards. **The electric lock of the harbour's pedestrian gate automatically locks at 20.00 and opens at 8.00.**
- Confirm with the HM when you wish to **use the washrooms**.
- Inform us if you wish to use the **sauna or the clubroom, rent bicycles or order transportation services**, etc. – contact the HM for more information.
- Confirm with the HM if you wish to use **shore power and water** (ask the HM for a water hose).
- Ask the HM for information about **sights and/or dining places in the area**.
- Inform the HM about your estimated time of departure.

Technical characteristics of the harbour and size limits of vessels are specified in the harbour rules (www.eismasadam.ee). All maps and cards of the harbour that are necessary for navigation are also available on the harbour's website.

Smoking on the premises is only allowed in designated areas that are labelled accordingly.

Night-time at the harbour starts at 23.00 and ends at 8.00.

You can use WiFi on the docks. **Network name:** Guest harbour and **password:** Marine77.

For more information about the regulations that apply in the harbour, read the harbour rules (www.eismasadam.ee).
